

New! Pro Strip 25R

Perfect for 25 AWG
Belden Home Choice

Stainless Steel Rollers

Pre-Set Blade Cartridge

Mini 59 - RGB

Description

The new **Pro Strip 25R** is a rugged 2 level coaxial cable stripper designed for the professional contractor. Quick change blade cartridges are factory pre-set for industry standard 1/4" cable preparation eliminating the need for tedious, time consuming blade depth adjustments.

Stainless steel rollers provide smoother concentric, non-binding rotation on a wide range of cables for fast professional results. No adjustments required!

- Industry standard 1/4' strip length.
- Pre-set quick change blade cartridges.
- 2 stripping ports for broader range of cables.
- Rugged high impact plastic housing.
- Long life stainless steel blades.
- Made in Taiwan.

Application

- RG 6 and RG 59 cable stripping port.
- RGB/Mini 59 cable stripping port for 23, 24 & 25 AWG center conductor cables.
- 1/4" (6 mm) strip length.

Marking/Packaging

- Boxed or clamshell (C)

Technical Data

- Weight: 1.9 oz.
- Dimensions: 4.125" x 1.125"
